## By choosing to participate in a Patient Centered Medical Home, we trust you to:

- Be active and participate in managing and planning your care.
- Tell your provider about any concerns or needs that you may have.
- Make sure your provider knows you or your child's entire health history.
- Tell your provider about all of your medications, vitamins and/or supplements taken.
- Follow the care plan designed with your provider and agreed upon or let us know why you cannot so that we can try to help or change the plan appropriately.
- Let us know when you see another doctor or visit an urgent care or emergency room facility.
- Seek our advice before you see a specialist. We may be able to care for you and we know about the advantages of being referred to a specialist.
- Keep your appointments as scheduled or call us and let us know when you cannot.
- Pay your share of the visit fee when you are seen in the office. We participate in many health care plans, including Medicare and Medicaid. We also offer discounted fees for medical, pharmacy and dental services, based on family size and income.
- Respect us as individuals and partners in your care.
- Give us feedback so we can improve our services.
